The screenshot shows the Jira Software interface for the "Natural Natures Mart" project. The left sidebar includes links for Backlog (which is selected), Board, Project pages, and Add shortcut. The main area displays the "Backlog" for "NAT Sprint 1" with six issues: NAT-1 Home Module, NAT-2 Login Module, NAT-3 Registration Module, NAT-4 Contact Us Module, NAT-5 Seeds Module, and NAT-6 Fruits Module. Each issue has a "TO DO" status and a person icon. A "Start sprint" button is visible above the backlog. A "Quickstart" sidebar on the right provides introductory information about Jira issues and offers links to create a project, deliver with scrum, and create an issue. The system tray at the bottom right shows the date and time as 05-09-2023 and 07:34, along with weather information (25°C, Cloudy).
